

RIDE EUROPE

ROUTE 1. STAGE 3. DAY 4.

ZADAR TO ZAGREB CROATIA

APPROXIMATELY 190 MILES (300KM)

Departing Zadar, you're elevated away from the Adriatic coast into steep, rugged terrain with forests and river canyons that lead to the mountain town of Gračac. Just beyond Gračac sit the Cerovac Caves, one of the largest cave systems in Croatia, and open to visitors.

As you continue north, you'll pass the UNESCO World Heritage Site of Plitvice Lakes National Park – a remarkable place to stop before arriving in Slunj town and the fairy-tale village of Rastoke. Nestled at the confluence of two rivers, the area boasts ancient wooden houses and watermills hugged by waterfalls and streams. It's worth paying a few euros to have a closer look.

The journey then continues via Vukmanički Cerovac, before the final approach to Zagreb. Along the way, you'll pass areas that bear reminders of the Croatian War of Independence of the 1990s. It's a poignant glimpse into Croatia's recent history, with opportunities to stop for a coffee on the way.

Your day concludes at Harley-Davidson® Zagreb, but the adventure continues, as Zagreb is one of Central Europe's most captivating cities. In the historic Upper Town you can discover the medieval Church of St Mark's, famous for its colourful 19th-century tiled roof. Just a short walk away you'll find pedestrianised Tkalčičeva Street, famous for its vibrant café culture. The Lower Town is known as "Little Vienna" due to its Austro-Hungarian heritage, with grand architecture and beautifully planned green spaces

WHERE TO STAY

There are plenty of good campsites on the outskirts of Zagreb:

Camp Zagreb – located just five miles (eight kilometres) from the Harley-Davidson dealership and about nine miles (15km) from the city centre, this is a popular year-round campsite located on the shores of Lake Rakitje.

Zagreb has more than 3,000 types of accommodation, so there will be something to suit everyone. A site such as booking.com is a good choice, allowing you to filter options to fit your criteria.
